

PRETORIA BOYS HIGH SCHOOL

SCHOOL FEE EXEMPTION POLICY

INTRODUCTION

- Parents may apply for a total or partial exemption from paying school fees. The granting of exemption will be subject to the criteria and procedures as set out below and parents who wish to avail themselves of the exemption will be required to adhere strictly thereto.
- Fee exemption applications will be assessed by the Finance staff of the school, approved by the SGB Finance sub-Committee and ratified by the School Governing Body.
- Fee exemption shall be governed by the SOUTH AFRICAN SCHOOLS ACT 84, 1996 and its Regulations, but the needs of the school necessitate the inclusion of additional criteria to determine fee exemption.

CRITERIA FOR FEE EXEMPTION

1. Applications for fee exemption will only be considered for tuition fees. Application for exemption cannot be made for any other fees charged by the school, such as boarding fees, or any other fees related to sport and/or cultural trips and excursions requiring additional monetary contribution by parents.
2. Applications for fee exemption will not be considered if any boarding fees are still outstanding for the year in which the application is lodged, or for any preceding year.
3. Exemption from school fees will be granted until the end of the year in which the application is lodged, on condition that parents inform the school of any changes to their financial position. Failure to inform the school in writing of any change in circumstances will result in an immediate review of the exemption.
4. Applications for exemption are for the current school year only. A new application must be made annually.
5. Irrespective of marital status, the combined gross income of both parents will be considered when assessing an application for exemption. In the case of unmarried, separated or divorced parents, the details, including combined gross income of both parents must be submitted.
6. "Income" means
 - Gross salary, wages or pension. Kindly note that 'salary' is the pecuniary return which an employee receives for his/her services and therefore includes all Cost to Company remuneration.

 - Funds received as a beneficiary of an estate or trust
 - Dividends and/or interest received on investments
 - Revenue derived from any form of business undertaking, including rental income.

8. Applicants will be required to sign and submit a sworn affidavit to the effect that all information supplied is true and that income, i.e. from formal and/or informal sources, has been declared. Special note should be taken that any person who supplies false information will be disqualified from further participation in the exemption scheme and will be liable for repayment of any subsidies received.
- In addition, the School Governing Body, if it deems fit, may institute legal and/or criminal proceedings.
9. The members of the Finance sub-Committee for Exemptions, or their designate, reserve the right to verify any document or statement made in this application.
10. The members of the Finance sub-Committee on Exemptions or their designate may visit the applicant at his or her residence.

11. Exemptions will be calculated on a sliding scale and may be total, partial or no exemption in terms of Schedule 6 of the Regulations for the Exemption of Parents from the Payment of School Fees, 2005 contained in the South African Schools Act 84 of 1996.
12. Conditional exemption may be granted to a parent who qualifies for either partial or no exemption, but supplies information indicating his or her inability to pay compulsory school fees due to specific personal circumstances. Where conditional exemption is granted, the Finance sub-Committee on Exemptions may attach such conditions as it may deem reasonable.
13. Nothing prevents a parent who has been granted any type of exemption from making a voluntary contribution to the school fund.
