

Happily, this has been rather a quiet year insofar as the movement of staff is concerned. In January we were happy to welcome the following teachers to PBHS: Mr Mark Smith (Biology and Senior Housemaster of Arcadia House), Mr Piero Botha (Geography), Mr Jocelyn Tucker (Business Studies and Physical Education), Mr Joseph Walker (an Old Boy, Science), Miss Taryn Fairall (Biology), Mrs Karen Stenos (Computer Studies), Dr Helena Kruger (Afrikaans) and Mrs Amanda Robinson who we were delighted to welcome back into the Afrikaans Department.

Mrs Andy Smart (English) left us on accouchement leave at the end of February. Mrs Carol Verwayen kindly stepped into the fray for two weeks until we were able to secure the services of Mr Peter Grobler, an Old Boy, who we were exceedingly pleased to appoint.

Mr Malcolm Armstrong joined the staff at the start of Term 2 as a full-time teacher at Maretlwane. This will be a challenging post and we hope he will be very happy in it. We bade Miss Tania Leurquain (Music) farewell at the end of the second term as she returned to her family in Belgium. Miss Leurquain was a particularly accomplished teacher of brass instruments and her Brass Band was a regular item at various musical evenings including the Café Concert. Our best wishes and thanks accompany her; we shall miss her friendly personality.

At the start of Term 3, Mrs Tania Hurley (English) left us on accouchement leave. Miss Caterina Christodolou was available to take her place immediately for which we were most grateful. Mr Joseph Walker (Science) left us for the University of Pretoria at the end of July. We hope he found his six month's experience beneficial and wish him everything of the best. We were pleased to welcome Mr Katlego Petje, a final year student teacher, who agreed to take over Mr Walker's classes.

Mr Anthony Janse van Rensburg (EMS and Accounting) also took his leave of Boys High at the end of July, to join Crawford College after eighteen month's service. We wish him well and thank him for what he has contributed to the School. Experienced and well-qualified Accounting teachers being in short supply, we were extremely fortunate that Mrs Moreen Raubenheimer was persuaded to help us for the remainder of the year.

Mr Marc Botha (Music) accepted a research fellowship in the U.K. and left at the end of Term 3. He was fully deserving of such an honour but we were very sad to see such a talented musician leave the School. An Old Boy, he was a most likeable colleague with a dry wit whose departure will be keenly felt. We hope he will be very successful.

The end of the year saw Mrs Andy Smart and Mrs Tania Hurley decide not to return after their accouchement leave; the former as she accompanied her husband to Ireland where he is furthering his studies and the latter as she decided to become a full-time mother. Both these members of the English Department were highly efficient, knowledgeable and professional teachers who made a significant contribution to the boys' education. Both, too, were warm, friendly colleagues while Mrs Hurley was also a caring Tutor who involved herself in a number of extra-mural activities most significantly, the Debating Society. In thanking them for their services to Boys High, we wish them everything of the best in the future.

Mr Tim Iraka, after four years at his alma mater, decided to explore avenues outside of teaching and therefore will not return in 2007. A talented sportsman himself, he improved the profile of particularly Basketball; we thank him for his contribution and wish him success as he broadens his horizons.

Mrs Delicia Preiss, who after her retirement two years ago assisted in the Clothing Shop on a part-time basis, has now decided to make her retirement full-time. We thank her sincerely for all she has meant to the School and wish her and her husband, Brian, health and happiness.

Mr LeeRoy Storm, who ran the Gymnasium for years, has moved to KwaZulu Natal. He assisted as a Tutor in the Boarding House and we thank him and wish him well.

There are a number of congratulations due at the end of this year:

Mr Adrian Simmons and Dr Johan Lombard have been appointed Senior Housemaster of School House and Town House respectively, with effect from January 2007; Mr Nic Brennan and Mr Abrie Jordaan successfully completed their Masters in Chemistry and Music, respectively; and Mr Paul Anthony was appointed assistant coach of the South African Under 19 XV – well done to all of you!

The following couples celebrated their marriages during the year – Ben Mathebele and Mathapelo on 4 March; Adrian Simmons and Diane Morgan, and Nick Brennan and Cassandra Myburgh, in the mid-year holidays; and Richard Köhne and Kate Lind on 9 December – our warm wishes for a long and happy life together are extended to you all.

Finally, the stork had an exceptionally busy year! Peter and Leonie Binsbergen and Warwick and Andy Smart welcomed their first-borns, Xavier and Nicholas, at the beginning of the year. Percy Nkadimeng and his wife and Patrick Mathebela and Jeanette Mathabathe were blessed with a daughter, Mahlatse, and son, Karabo, respectively. Greg and

Amanda Hassenkamp, made up their pigeon pair with a son, Robert, brother to Megan, and Gebu Biyela and Dume Ntanza welcomed Ntobeko and Eliphus and Agnes Mafaflo, Ramasela. Brett and Tania Hurley were delighted with their first born,

Joshua; Peter and Poppy Napo welcomed a daughter, Frieda, and last but certainly not least, Emma was given a baby sister, Hannah, courtesy of Peter and Colleen Franken. May all these new additions bring their respective families much joy.
