

PRETORIA BOYS HIGH SCHOOL

RELIGIOUS POLICY FOR PRETORIA BOYS HIGH SCHOOL

The School is mindful of the fact that there are boys who do not prescribe to the Christian faith, and as such care is taken in ensuring that their particular faith is respected.

ASSEMBLIES

Traditionally, the School assemblies have been broadly Christian in character for the past 107 years. No boy is forced to participate in the religious side of assembly and hymn book covers without hymns are issued to boys of other faiths. Great care is taken with readings and prayers to ensure that they reflect universal truths and non-doctrinal values.

RELIGIOUS HOLIDAYS

Cognisance is taken of religious holidays celebrated by boys in the School and every attempt is made so that, where possible, no tests, examinations or important events are held on those days.

SOCIETIES AND SERVICES

The school accommodates societies for different religious groups. For example, there is an active Christian Association, a Jewish Association in partnership with a neighbouring school and a large number of Muslim boys have early exeats on a Friday to attend services at a Mosque.
