

Physical Sciences Teacher Vacancy

Pretoria Boys High School has a vacancy for a fulltime, temporary **Physical Sciences Teacher**.

This is a Gauteng Department of Education position with effect from 10 January 2022 – 30 June 2022. There is the possibility of extension of this contract.

Minimum Qualifications and Experience for all positions:

- Candidates must have a minimum qualification of a suitable degree with a PGCE. Appropriate teaching qualifications are essential.
- A major in Physics and Chemistry would be preferable.
- Valid registration with SACE is essential.
- Candidates must be able to teach in English from Grades 8 to 12.
- At least 3 years' previous teaching experience in Physical Sciences is highly recommended.

Main Responsibilities:

- Teaching, assessment, planning and preparation at Grade 8 – 12 level.
- Tutor (Register) teacher responsibilities.
- Must be involved in the extensive cultural and sporting extra-mural programme of the School.
- Will be responsible to fulfil all other reasonable duties required of a teacher.

Applications in the form of a cover letter, short CV (4 page) and a list of at least 2 current referees must be sent to the HR Administrator, Mrs. Connie van der Walt. Closing date for applications is **15:00 Friday 5 November 2021**. State clearly what extra-mural activities you offer the school in addition to your teaching role.

Email: hr@boyshigh.com

Please note that should you not have received any feedback during the two weeks after application closure, you can consider your application unsuccessful.

Please also note that the School reserves the right not to make an appointment if there are no suitable candidates or if curriculum needs change.
