

PRETORIA BOYS HIGH SCHOOL

Permanent, part time position for Clinical Psychologist at PBHS

Requirements

- Registered as clinical psychologist with the HPCSA.
- Minimum five (5) years working experience in 1) clinical context and/or 2) extensive experience with adolescent clinical cases.
- Willingness to mainly focus on clinical cases with adolescents within a school context.
- Willingness to establish clinical and psychiatric referral network for adolescents.
- Willingness to work public school terms with school holidays as leave.

Main Professional Responsibilities

- Clinical evaluation and referrals:
 - Responsible for clinical evaluation (self-harm and suicide risk assessment, other psychopathology) and referrals to psychiatrists and/or psychiatric institutions if indicated.
 - Management of clinical cases (referral follow-ups, parent communication and guidance).
 - Establish and/or maintain clinical/psychiatric referral network.
- Therapeutic interventions:
 - Treatment of clinical cases (short and/or long term as indicated).
 - Additional counselling interventions (as needed by our department).
- Multi-disciplinary team:
 - Work within a psychology department consisting of an educational and counselling psychologist, sharing responsibility and case load.
 - Work together as multi-disciplinary team with the other psychologists and medical nurses if case discussion is indicated.
- Administration:
 - General administration associated with working as a psychologist within a psychology department (general department admin, referral letters, scheduling

of appointments, record keeping and/or other administrative tasks relevant to the profession within a school environment, report writing).

- Involvement in school policy and systemic development related to clinical topics.

Additional periodic professional activities

- Counselling interventions, or community work within the school context (psychoeducational group work, presentations and/or training on clinical topics).
- Staff support (when necessary).
- Assessments (career and subject choice assessments).

Benefits associated with the position

- HPCSA Registration covered by the school.
- BHF Registration covered by the school.
- Limited contribution to CPD courses.
- Limited contribution to clinical supervision.
- School holidays.

Commencement date: January 2023

Working hours: Three days a week from 08:00 – 14:00

Remuneration: Market related for a school context.

Application closing date: Wednesday 16 September 2022 @ 16:00.

Applications to please include 1) a cover letter highlighting motivation for application as well as approximate expected remuneration, 2) comprehensive CV and 3) include at least 2 current referees/references.
